**You may be eligible to receive \$50 up to \$50,000 for your implemented idea.**

The Employee Suggestion Program was established in 1950 to reward employees who come up with efficient and cost effective suggestions for improving state government. All active and retired State employees are eligible to participate. Last year, adopted suggestions saved the State over \$5 million.

See your departmental Merit Award Coordinator, personnel office, or go to [www.dpa.ca.gov](http://www.dpa.ca.gov) (click on "Benefits," then "Employee Suggestion Program") for a suggestion form.
